

# SANITARY MAINTENANCE PUMPS

**NOTE:** SANITARY MAINTENANCE PUMPS are for use only in commercial NON-DAIRY, NON-FARM environments, where personal protective equipment is required and OSHA (Occupational Safety and Health Act) regulations are enforced by management.

## FOR DETERGENTS, WAXES, ALKALIS AND WATER

### HOSE OUTLET

Allows easy, directional dispensing of liquids into receiving containers. Hose lengths other than our standard are available.

Each pump comes with a dip tube to reach the bottom of the container and adapters are available to accommodate most drums, carboys and 5 gallon pails.

ADAPTERS are interchangeable on the MP12 and MP18.

All pumps are 1-1/4" diameter

MP0602M = 1 ounce per stroke

MP12 = 5 ounces per stroke

MP18 = 8 ounces per stroke

MP36 = 11 ounces per stroke

STOCK #	BARREL LENGTH	HOSE LENGTH	ADAPTER	DIP TUBE LENGTH	ID = .520" OD = .600"
MP0602M	06"	02"	70 mm	12"	
MP0909K	09"	09"	51 mm	None	
MP1209**	12"	09"	None	18"	
MP1209C	12"	09"	Rieke Sr	18"	
MP1209F	12"	09"	63 mm	18"	
MP1209M	12"	09"	70MM	18"	
MP1209R06	12"	09"	Rieke Jr	06"	
MP1209S	12"	09"	Std 2" IPS	18"	
MP1818D	18"	18"	61 mm	None	
MP1818E	18"	18"	European	18"	
MP1818F	18"	18"	63 mm	None	
MP1818M	18"	18"	70 mm	None	
MP1818R	18"	18"	Rieke Jr	None	
MP1818S	18"	18"	Std 2" IPS	18"	
MP3630S	36"	30"	Std 2" IPS	None	

Model: MP1209

### SPOUT OUTLET

A no-drip alternative to the hose outlet is available on all MP series pumps. In addition to the no-drip feature, the spout also eliminates waiting for the hose to drain.

STOCK #	BARREL LENGTH	ADAPTER	DIP TUBE LENGTH
MP09SPK	09"	51 mm	None
MP12SP**	12"	None	18"
MP12SPF	12"	63 mm	18"
MP12SPS	12"	Std 2" IPS	18"
MP18SP	18"	None	18"
MP18SPS	18"	Std 2" IPS	18"
MP36SP	36"	None	None
MP36SPS	36"	Std 2" IPS	None

Model: MP18SPS

\*\* MP1209 & MP12SP models are also available with FDA compliant materials. Call for details and pricing.

## D-LIMONENE

D-Limonene is rapidly replacing solvents as the cleaner of choice in the Sanitary Maintenance industry. The Beckson D-Limonene pump has been independently tested using a technical grade of 95% pure D-Limonene for 60 days and 6,000 strokes at room temperature.

## SIPHON

Model: MP1848S

(Comes w/ 18" dip tube)

DL1818S 18" LONG	18" HOSE	STANDARD 2" IPS ADAPTER
DL3630S 36" LONG	30" HOSE	STANDARD 2" IPS ADAPTER
DL18SPS 18" LONG	SPOUT	STANDARD 2" IPS ADAPTER
DL36SPS 36" LONG	SPOUT	STANDARD 2" IPS ADAPTER

All MP pumps are available as siphon pumps. The siphon pumps function as lift pumps, but will siphon with the handle fully extended and as long as the SOURCE is HIGHER in elevation than the receptacle. All siphon pumps come standard with a 48" discharge hose, and adapters are available to attach to most drums, carboys and 5 gallon pails.
